Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Weight: 2500kg
- Starting System: Electric
- Phase: 3 Phase
- Engine: Cummins
- Cooling System: Water Cooling
- Warranty: 1 Year
- Power: 50kVA
- Dimension: 3000*1000*1800mm
- Highlight: 750kw Silent Type Diesel Generator,
937.5kva Silent Type Diesel Generator,
Cummins Power Diesel Generator Set

Product Description

Product Description:

Our silent diesel generator set is the perfect combination of Cummins Power and diesel generator set, which is designed for maximum efficiency and reliability. This silent diesel generator set has a frequency of 50Hz, a voltage of 400V, a phase of 3 Phase, and an alternator of Stamford. The dimension is 3000*1000*1800mm, which is compact and easy to install. It is the ideal choice for your power generation needs.

Cummins Power diesel generator set is designed to be robust and reliable, making it the perfect solution for any kind of power generation needs. It is equipped with advanced technology and high-quality components, making it one of the most reliable generator sets in the market. The Cummins Power diesel generator set also comes with a wide range of features and benefits, such as low noise and vibration, long life expectancy, and low fuel consumption. It is also easy to maintain and upgrade, which makes it the ideal choice for any application.

If you are looking for a reliable and efficient power generation solution, our silent diesel generator set is the perfect choice. With its advanced technology and high-quality components, it is one of the most reliable generator sets in the market. It is also easy to maintain and upgrade, which makes it the best choice for any power generation needs. Choose the Cummins Power diesel generator set and enjoy the benefits of reliable and efficient power generation.

Features:

Product Name: Silent Diesel Generator

Cooling System: Water Cooling

Noise Level: 75dB

Frequency: 50Hz

Weight: 2500kg

Type: Silent Diesel Generator Set, Open Silent Type Diesel Generator, Open Silent Type Diesel Generator Set

Technical Parameters:

Attribute	Detail
Product Name	Cummins Power Diesel Generator, Diesel Generator Set, Open Silent Type Diesel Generator
Power	50kVA
Frequency	50Hz
Controller	Smartgen
Warranty	1 Year
Cooling System	Water Cooling
Starting System	Electric
Engine	Cummins
Noise Level	75dB
Phase	3 Phase
Dimension	3000*1000*1800mm

Applications:

Minlong's Silent Type Diesel Generator is a powerful energy supplier with high performance and low noise. It is certified by ISO9001 and has a minimum order quantity of 1 piece. With Cummins engine and Smartgen controller, it is highly reliable and durable. The price is negotiable and the delivery time is within 10-15 days. The package is wood case and the payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram. The warranty is 1 year and the weight is 2500kg. The supply ability is 1000 pieces per week. It has many applications such as Open Silent Type Diesel Generator, Cummins Power Diesel Generator, Smartgen Controller Diesel Generator and so on.
