

Automatic Manual Mobile Diesel Generator Air Water Cooling System

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Fuel Tank Capacity: 50-1000L
- Noise Level: Low
- Start Mode: Electric/Manual
- Dimension: Customized
- Fuel Type: Diesel
- Cooling System: Air/Water
- Rated Voltage: 220V/380V/400V/415V/440V
- Phase: Single/Three
- Highlight: **Automatic Mobile Diesel Generator, Manual Mobile Diesel Generator**

Product Description

Product Description:

Mobile Power Diesel Generator: The Ultimate Solution for Mobile Power Needs

A mobile diesel generator is a mobile power diesel engine unit that is used to supply power in remote areas where there is no access to the grid or other forms of electric power. These generators are designed to be a portable, lightweight solution for mobile power needs. The mobile power diesel generator features customizable weight control to make sure it is easy to transport. With fuel tank capacity ranging from 50-1000L, it can provide ample power for long duration use. Its cooling system can be air or water and the control system is either automatic or manual, both of which are designed for efficient operation and easy maintenance.

The mobile power diesel generator has a rated voltage of 220V/380V/400V/415V/440V, making it suitable for different applications. It also features advanced technology and advanced safety features to ensure reliable and safe operation.

The mobile power diesel generator is the perfect solution for mobile power needs. Its robust design, reliable performance, and easy maintenance make it an ideal choice for any application.

Features:

Product Name: Mobile Diesel Generator

Cooling System: Air/Water

Warranty: 1 Year

Dimension: Customized

Start Mode: Electric/Manual

Certificate: CE/ISO/SGS

Mobile Diesel Power Unit

Mobile Diesel Engine Unit

Technical Parameters:

Attribute	Value
Weight	Customized
Cooling System	Air/Water
Type	Mobile Diesel Generator
Fuel Tank Capacity	50-1000L
Rated Voltage	220V/380V/400V/415V/440V
Certificate	CE/ISO/SGS
Warranty	1 Year
Fuel Type	Diesel
Phase	Single/Three
Power Output	20-100KW

Applications:

The **Minlong** Mobile Diesel Generator is a reliable and efficient power source for a variety of applications. It is designed to provide reliable and efficient power for a wide range of applications, including construction sites, industrial sites, and emergency power backup. It has been certified to ISO9001 standards, and is available in single and three phase versions. It is available with a fuel tank capacity of 50-1000L, and can be customized to meet specific needs. The generator is easy to transport and install, with a low noise level. The package includes a wood case, and delivery time is 10-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union, MoneyGram, and price is negotiable. The Minlong Mobile Diesel Generator is capable of producing up to 1000 pieces per week.

Customization:

Mobile Diesel Generator Customized Service

Minlong is a well-known brand of mobile diesel generator in China. All of our mobile diesel generators are certified with ISO9001, and all

products have CE/ISO/SGS certificates. We offer customized service to meet your specific requirements.

Features of Mobile Diesel Generator:

Brand Name: Minlong

Place of Origin: China

Certification: ISO9001

Minimum Order Quantity: 1

Price: Negotiation

Packaging Details: Wood case

Delivery Time: 10-15 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: 1000 pieces per week

Type: Mobile Diesel Generator

Fuel Type: Diesel

Weight: Customized

Fuel Tank Capacity: 50-1000L

Certificate: CE/ISO/SGS

Features of Mobile Diesel Generator Unit:

Mobile Power Diesel Generator Set

Customized Service

Our Service:

We have professional engineers to provide you with the best mobile diesel generator according to your actual needs. Our custom service can help you create your own unique mobile diesel generator.

Support and Services:

We offer technical support and services for our Mobile Diesel Generators. Our technical team is available to answer any technical inquiries you may have, and provide assistance regarding installation, operation, and maintenance. Our services include:

Troubleshooting & diagnostics

Onsite and remote maintenance

Periodic inspections and service

Replacement parts and accessories

Technical support and advice

Training and certification

Packing and Shipping:

Packaging and Shipping

The Mobile Diesel Generator is securely packaged for shipping. Each unit is individually packaged and shipped in a wooden box with foam inserts to ensure safe transport. All necessary hardware and tools are included in the shipping package. The unit is shipped with a standard ground shipping carrier and can be tracked with the tracking number provided.

FAQ:

Q1: What is the Brand Name of the Mobile Diesel Generator?

A1: The Brand Name of the Mobile Diesel Generator is Minlong.

Q2: Where is the Mobile Diesel Generator made?

A2: The Mobile Diesel Generator is made in China.

Q3: Does the Mobile Diesel Generator have a Certification?

A3: Yes, the Mobile Diesel Generator is certified with ISO9001.

Q4: What is the minimum order quantity for the Mobile Diesel Generator?

A4: The minimum order quantity for the Mobile Diesel Generator is 1 piece.

Q5: How is the Mobile Diesel Generator packaged?

A5: The Mobile Diesel Generator is packaged in a wood case.
