

Wp10d200e300ng Natural Gas Generator Weichai Engine 140kw

Our Product Introduction

For more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Weichai
- Certification: ISO9001, ISO14001, CE
- Model Number: Wp10d200e300ng
- Minimum Order Quantity: 1 Set
- Price: 27,888 USD
- Packaging Details: Please consult customer service.
- Delivery Time: About 30-50 days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 100 Set/Month

Product Specification

- Cooling System: 2 Pump 2 Loop
- Dimension: Varies
- Cooling System: Air/Water Cooled
- Control System: Automatic
- Power Output: 300kW-1000kW
- Fuel Type: Natural Gas/Biogas
- Warranty: 1 Year
- Thermal Efficiency: About 45%
- Highlight: **Wp10d200e300ng Natural Gas Generator, 140kw Natural Gas Generator**

Product Description

Product Description:

Wp10d200e300ng Weichai Engine 140kw Natural Gas Power Generator

The Cummins 300kw Gas Generator is an advanced energy-saving generator that is highly efficient and reliable. It offers a thermal efficiency of about 45%, and can generate power output of 300kW to 1000kW. It adopts air/water cooled cooling system with 2 pump 2 loop design, and the LHV is $\geq 15\text{MJ/m}^3$ (400BTU/ft³). It is a safe and reliable gas generator set for its excellent performance, long running life, and simple operation and maintenance. It also features low noise, environmental protection, and high energy efficiency. With its high-end technology design and advanced production process, the Cummins 400kw Gas Generator provides customers with cost-effective power solutions.

Technical Parameters:

Parameter	Value
Nox emission	500mg NOx
LHV	$\geq 15\text{MJ/m}^3$ (400BTU/ft ³)
Cooling system	2 Pump 2 Loop
MN	≥ 75
Warranty	1 Year
Control System	Automatic
Power Output	300kW-1000kW
Fuel Type	Natural Gas/Biogas
Dimension	Varies
Cooling System	Air/Water Cooled

Company Profile:

Guangdong Minlong Mechanical and Electrical Equipment Co., Ltd. was established in 1995. Its headquarters is located in Foshan, Guangdong, the world power generating unit manufacturing base in the Pearl River Delta, which is the most developed in China. There are many branches and agencies in China.

Adequate inventory

Packing and Shipping:

The packaging and shipping of the Natural Gas Generator requires special attention to ensure that no damage occurs during transit. To ensure proper packaging and shipping, the following steps should be taken:

Ensure proper packaging materials are used to protect the generator from weather and other external elements.

Securely wrap the generator in protective bubble wrap, foam, or other materials as needed.

Place the generator in a sturdy cardboard box with foam padding.

Seal the box with packing tape and clearly mark the contents for easy identification.

Arrange for a shipping provider to safely deliver the generator to its destination.

FAQ:

Q1: What is the brand name of the Natural Gas Generator?

A1: The brand name of the Natural Gas Generator is Weichai.

Q2: What is the place of origin of the Natural Gas Generator?

A2: The place of origin of the Natural Gas Generator is China.

Q3: What certifications does the Natural Gas Generator have?

A3: The Natural Gas Generator has ISO9001, ISO14001, and CE certifications.

Q4: What is the minimum quantity for ordering the Natural Gas Generator?

A4: The minimum order quantity for the Natural Gas Generator is 1 Set.

Q5: What are the packaging details of the Natural Gas Generator?

A5: Please consult customer service for the packaging details of the Natural Gas Generator.
